

Ocean to Outback

EXPLORING NEW ZEALAND AND AUSTRALIA

DISCOVER MORE PACKAGE

KONA, HAWAII | NOVEMBER 26 – 29, 2026

Elevate your New Zealand and Australia expedition with three days of exploring the island of Hawai'i—a tropical paradise adorned with stunning white, red, black and green sandy beaches, vibrant aquamarine waters, lush rainforests and breathtaking lava landscapes.

Enrichment Highlights

Kealakekua Bay Sail and Snorkel

Experience the awe-inspiring beauty of the Kona Coast on a scenic catamaran cruise to historic Kealakekua Bay, a marine sanctuary teeming with colorful tropical fish and home to the famed Captain Cook Monument. Snorkel among vibrant coral reefs and ancient lava flows, then relax on board, watching for spinner dolphins and sea turtles.

Heli Flightseeing Adventure

Discover the unparalleled beauty of the island of Hawai'i on an unforgettable helicopter adventure. Soar above the world-famous Kona Coffee Belt—a swath of lush plantations blanketing the mineral-rich volcanic slopes of Hualalai and Mauna Loa. Look for lava activity over Hawai'i Volcanoes National Park. Fly over historic Hilo town and the verdant rainforests of east Hawai'i, then loop back above Kohala Coast's white-sand beaches and rugged lava fields on your return to Kona.

Kohala Waterfalls Experience

Take a scenic drive up the Kona coastline, past ancient volcanic flows, to reach North Kohala country's lush green landscapes and the hiking trailhead. Enjoy a leisurely 1.5-mile walking hike, crossing picturesque bridges and passing several waterfalls to reach a secluded natural mountain pool. Cool off with a swim, or explore the unique vegetation on land. Complete your adventure at Mokulanikila lookout, savoring a picnic lunch and sweeping ocean and valley views.

Mauna Kea Summit and Stars

Ascend to the summit of Mauna Kea, home to one of the world's most advanced astronomical observatories. Watch the sunset cast brilliant colors across the sky before exploring the cosmos through a state-of-the-art telescope. With a private guide, explore Polynesian star navigation under one of the clearest night skies on Earth.

Manta Ray Night Snorkel

Sail into the sunset, then step into illuminated waters along Mauna Kea's coastline to swim with giant manta rays. Observe the grace of these gentle creatures as they feed on plankton below you, and watch as they soar through the waters on their large wings, maneuvering around each other with surprising dexterity.
