Enrichment Highlights

Experience Iceland's Volcanic Landscapes

Iceland's terrain is defined by fire and ice, where tectonic forces, geothermal energy and glacial movement create a landscape in constant formation. Travel across lava fields and fault lines, encountering the elements that shape the island.

Explore the Reykjanes Peninsula

See the only place on earth where the Mid-Atlantic Ridge rises above sea level, revealing the rift between the North American and Eurasian plates. This lava-formed peninsula showcases Iceland's active geology through steaming vents, mineral-streaked hillsides and dramatic coastal scenery.

Follow the Golden Circle

Trace the country's most iconic route with visits to Þingvellir National Park, the erupting Geysir hot springs and the powerful Gullfoss waterfall. Along the way, step inside the Laugarvatnshellar caves to learn how Icelanders once lived within the earth.

Glacier Adventure by Super Jeep

Venture into Iceland's interior by 4x4 super jeep, crossing rugged terrain en route to Langjökull glacier. Set out on a snowmobile across the ice, then continue to hidden waterfalls, including the vivid blue waters of Brúaráfoss.

Evenings in Reykjavík and Beyond

Balance raw terrain with immersive moments in Reykjavík, including a cinematic journey through volcanic forces at Harpa Concert Hall. Enjoy thoughtful dining and relaxed settings, offering a deeper connection to the country's creative and culinary scene.

PACKAGE DETAILS

Enjoy five unforgettable days of thoughtfully curated activities and experiences in Iceland:

- Two nights at **The Reykjavík EDITION**
(Explorer Accommodation)
- Two nights at **Torfhús Retreat**
(Explorer Accommodation)
- Exclusive guided experiences
- Private airport transfer
