Golf Around the World

BY PRIVATE JET

April 6 – 25, 2028

Join us on a global golf adventure that pairs iconic fairways with remarkable cultural encounters, natural wonders and exclusive access. Tee off amid the volcanic landscapes of Hawai'i, take on a strategic round in the Kansai hills and discover Kyoto's timeless traditions, play along Hong Kong's dramatic coastline and experience the wonder of the Taj Mahal in the heart of India. Soar over Kenya's wildlife-rich savannas before concluding among the olive groves, ancient ruins and seaside courses of Greece's sparkling coastline.

Beyond the course, immerse yourself in the distinctive character of each destination. Traveling by private jet throughout, you'll enjoy exceptional accommodations, enriching local connections and rare insight into some of the world's most compelling destinations.

This is golf elevated—crafted for those who swing for the extraordinary.

Airfare to Kona, Hawai'i and from Athens, Greece is not included. Kalos Golf private jet tours are operated by TCS World Travel, with the aircraft operated by Titan Airways Limited. Contact us for applicable terms and conditions of the operator-participant contract.

Kona, Hawai'i

APRIL 6 – 8 | *Four Seasons Resort Hualalai*

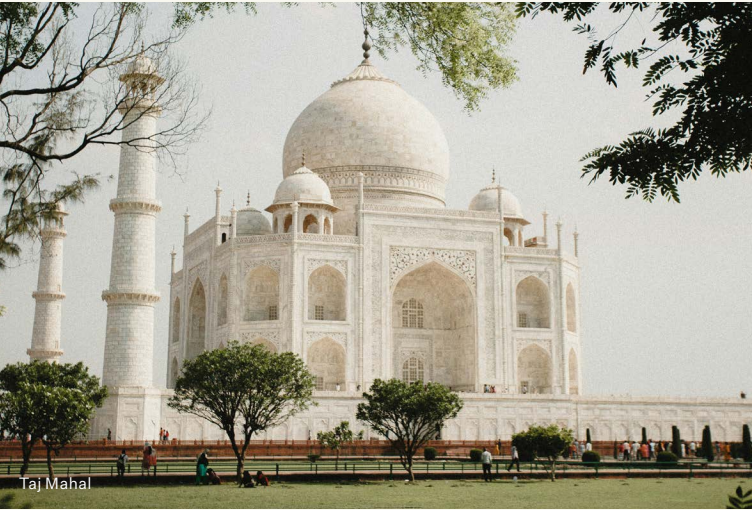

Begin your journey to some of the world's best courses, unique hidden gems and exclusive touring opportunities on the island of Hawai'i. If you arrive early, enjoy an optional round of golf at Mauna Kea, a classic ocean layout by Robert Trent Jones Sr. that combines sweeping Pacific views, volcanic landscapes and the iconic par-three third hole played across an ocean cove. On our first evening together, enjoy a welcome dinner and a restful night before our adventure begins.

Golfers tee off the next morning at the acclaimed **Hualālai**, a Jack Nicklaus Signature Design set along the beautiful Kona Coast and conveniently located on the Four Seasons property. Carved through rugged black lava fields and renowned for its exceptional conditioning, it offers a memorable start to the remarkable golf ahead. Off-course experiences further set the tone for this momentous journey—from hikes to impressive waterfalls to helicopter flightseeing over the island and snorkeling with manta rays after dark.

Hagåtña, Guam

APRIL 9 – 10 | *Dusit Thani Guam Resort*

Cross the International Date Line on the way to Guam to enjoy a quick stopover at an oceanfront resort on this remote tropical island. Whether

Taj Mahal

Hot-air balloon

exploring the interesting local culture or diving into the island's crystal-clear waters, you will leave with an appreciation for its richness and beauty.

Kyoto, Japan

APRIL 10 – 12 | *The Ritz-Carlton, Kyoto*

Golfers continue their adventure in Japan at **Golden Valley Golf Club**, a Robert Trent Jones Jr. layout nestled in the forested hills of the Kansai region. Widely regarded as one of Japan's finest courses, Golden Valley is routed through mountainous terrain and pine forests, where narrow fairways and rock-lined creeks place a premium on accuracy and thoughtful shot-making.

Beyond the fairways, unlock the centuries-old magic of Kyoto through its towering bamboo groves, sacred temples and enduring customs, including a hands-on samurai sword lesson that offers a memorable connection to Japan's warrior traditions.

Hong Kong

APRIL 12 – 15 | *The Peninsula*

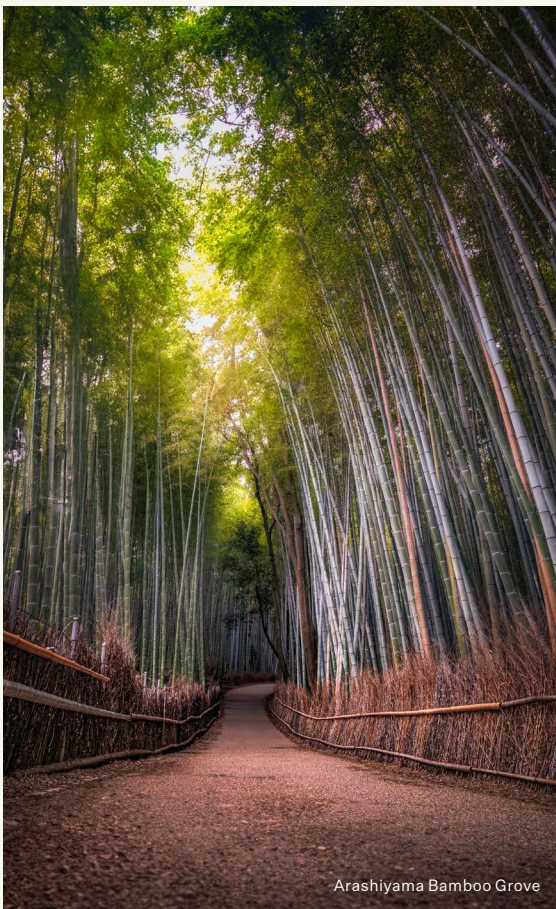

Hong Kong offers two of Asia's most memorable golfing experiences. At **Clearwater Bay Golf and Country Club**, we play a spectacular cliff-top course overlooking the South China Sea. Often compared to the

International Olympic Academy Course

Karen Country Club

Arashiyama Bamboo Grove

world’s greatest oceanside courses, Clearwater Bay features dramatic elevation changes, panoramic views and a closing stretch that ranks among Asia’s most scenic.

Our second round takes place at **Discovery Bay Golf Club**, laid out across the hills of Lantau Island, offering extensive vistas across Victoria Harbor and toward Sunset Peak. Designed by Robert Trent Jones Jr., the course blends strategic play with a striking natural setting, showcasing another side of Hong Kong’s diverse golfing landscape.

Explore the flavors and traditions that define Hong Kong on a guided food and culture tour, then ascend Victoria Peak aboard the vintage Peak Tram for stunning views of the city and the harbor. Venture beyond the city’s dense skyline by ferry to Lamma Island, a car-free retreat with colorful lanes lined with boutiques, market stalls and restaurants.

Delhi and Taj Mahal, India

APRIL 15 – 18 | *The Imperial, New Delhi*

Begin your visit to India with a day trip aboard the private jet to visit the Taj Mahal in Agra. Experience the breathtaking beauty of this UNESCO World Heritage site, renowned for its intricate marble inlays and luminous symmetry. Then, return to Delhi to explore its grand avenues, civic landmarks and elegant architecture.

Golf in India reaches its pinnacle at **DLF Golf and Country Club**, one of the country’s most celebrated courses. Located on the outskirts of New Delhi in the modern city of Gurgaon, Gary Player’s championship layout winds through rugged terrain defined by pronounced undulation, rocky quarry landscapes and bold strategic design. As the current host of the DP World Tour’s Indian Open, DLF combines natural beauty with meticulously maintained conditions, earning a reputation as one of Asia’s premier golfing destinations.

Nairobi and Maasai Mara, Kenya

APRIL 18 – 21 | *Hemingways Nairobi and Angama Mara*

Founded in 1937, **Karen Country Club** is one of Kenya’s oldest private clubs. Much of the course was built on the former coffee estate developed by Karen Blixen, whose life was chronicled in the film Out of Africa. Surrounded by the Ngong Hills, this parkland gem weaves through a variety of dense forests and wetlands. It promises a uniquely enjoyable round in a serene natural setting, and the members and staff look forward to welcoming our group. Beyond the fairways, look for wildlife on scenic game drives through Nairobi National Park and visit the Karen Blixen Giraffe Center and Daphne Sheldrick Elephant Orphanage. Then, travel into the majestic Maasai Mara and float above the plains in a hot-air balloon at sunrise before setting out in safari vehicles in search of Africa’s Big Five: lion, leopard, rhinoceros, elephant and Cape buffalo.

Costa Navarino, Greece

APRIL 21 – 24 | *Mandarin Oriental Costa Navarino*

Our golf itinerary continues at Costa Navarino, the finest golf resort in Greece, which sprawls along the southwestern coast. We open with the **Bay Course**, overlooking Navarino Bay and just steps from the Mandarin Oriental. A few holes play directly along the water, but the bay is spectacularly visible from about two-thirds of the holes, as the remaining layout weaves through olive groves. Designed by Robert Trent Jones Jr., the Bay Course offers a fair challenge and an ideal sense of place along the Greek coast.

Our second round in Greece takes us to Navarino Hills, where José María Olazábal’s acclaimed **International Olympic Academy Course** awaits. Offering commanding views across Navarino Bay, Pylos, and the Greek coastline, the course undulates through the region’s distinctive high-desert terrain, creating a fun and rewarding test of golf.

Off the course, explore the treasures of ancient Greece at Olympia and Messene, and enjoy an olive oil tasting at a local factory, where you’ll learn how the region’s celebrated groves shape its cuisine, landscape and daily rhythms.

Athens, Greece

APRIL 24 – 25 | *Hotel Grande Bretagne*

Fly by private helicopter to Athens for a final festive evening where you’ll say a fond farewell to your fellow travelers and catch your independent flight home the next day.
